

In Henry's name, I am writing you.

Dear

George! I am a thousand years
— I am a thousand years —
— I am a thousand years —
— I am a thousand years —

Good-bye! I am a thousand years
— I am a thousand years —
— I am a thousand years —
— I am a thousand years —

And in your name, I am writing you
— I am a thousand years —
— I am a thousand years —
— I am a thousand years —

Yours truly,
— I am a thousand years —
— I am a thousand years —
— I am a thousand years —

E. C.
